

PRIME PLAY™

50 Years in the Industry

Custom engineered design that outplays any modular surface in the game—from a company with 50 years of experience building game courts.

Superior Traction

Featuring a patented WetTrax technology allowing play without having to wait hours for the court to dry on a dewy morning or after rain*

Durable

Specialty grid design reducing water retention on top of the surface and superior UV resistant formula to guarantee your court for 15+ years without the need to resurface.

Ball Response

PrimePlay delivers the same dribbling response as a hardwood floor unmatched by the industry.

Safe

With 14% shock absorption and Lateral Forgiveness™ technology, PrimePlay surfaces lessen impact and risk of injuries compared to any other traditional outdoor surface.

Sport Court® is proud to be an official court surface of the most demanding athletes in the world.
